SHORT TERM COURSE IN FOOD PROCESSING - I

Department of Food Science

REPORT 2023 – 2024

Date: 28/02/2024

Food processing is the transformation of agricultural products into food, or of one form of food into other forms. Food processing includes many forms of processing foods, from grinding grain to make raw flour to home cooking to complex industrial methods used to make convenience foods. Some food processing methods play important roles in reducing food waste and improving food preservation, thus reducing the total environmental impact of agriculture and improving food security.

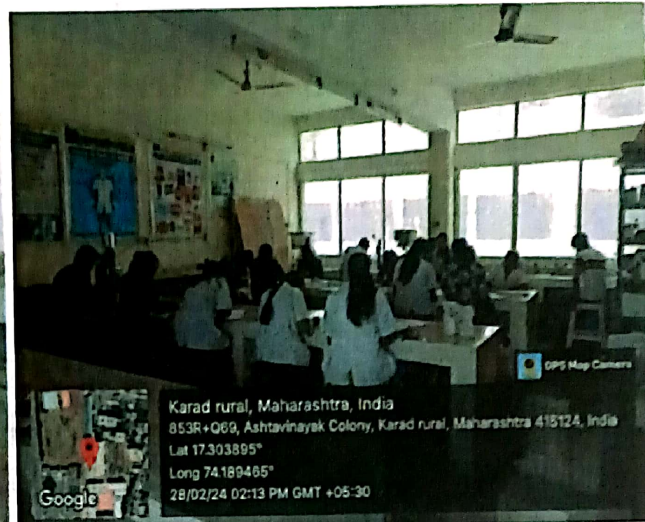

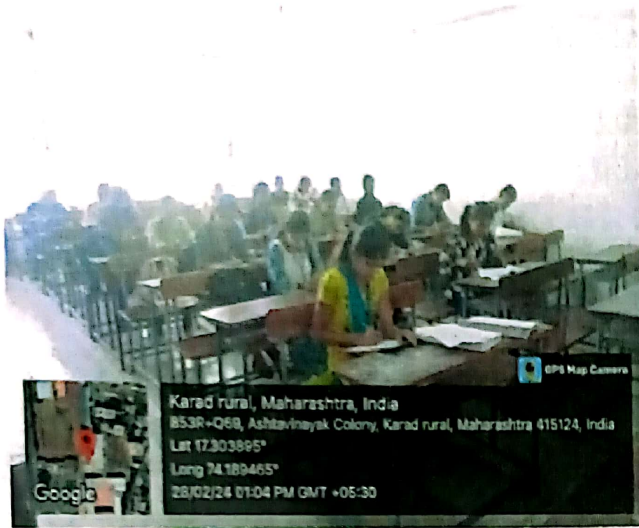

The **Ministry of Food Processing Industries (MOFPI)** is a ministry of the Government of India responsible for formulation and administration of the rules and regulations and laws relating to food processing in India. Earlier the regulatory responsibilities of MOFPI were to implement Fruit Products Order (FPO). However, by the enactment of Food Safety and Standards Act, 2006, these regulatory responsibilities are transferred to Food Safety Authority of India, New Delhi which is under control of Ministry of Health and Family Welfare.

Department of Food Science of our college has organized Short Term Course in “**Food Processing –I**” during 01 / 12/ 2023 to 28/ 02/2024. While organizing the course the instructions given in the circular by the university and the instructions given orally by the Dean, Faculty of Science, Shivaji University, Kolhapur were followed and schedule was prepared.

In total three months course duration, both theoretical and practical sessions, regarding knowledge and practice in Food Science are carried out. About **19 students from B. Sc. I (Food Science) of College have been participated.**

While conducting the certificate course, time schedule of every activity was strictly followed. Notes were provided to students and the staff.

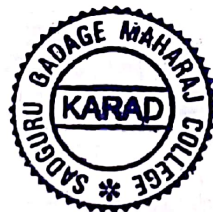

The program has been conducted under the guidance of Hon. Principal Dr. Mohan Rajmane, the Coordinator, Dept. of Food Science. Dr.A.V.Waghmode, Mr.Sachin Patil, Miss Pratiksha Kadam and all the other faculty members. All students, teachers have given a valuable cooperation for the successful conduction of this course.

“Personality Development and Communication skills”

Date-24-01-2024

Time-09.00 am -12.00 pm

Conducted by – Mr. Ashutoshraj C. Kumbhar.

Assistant Teacher, New English School, Kuthare

Sadguru Gadage Maharaj College, Karad Department of B.Com I.T. organized **“Lead College Activity On “Personality Development and Communication Skills”**. This program was conducted by **Mr. Ashutoshraj C. Kumbhar** (Assistant Teacher, New English School, Kuthare) on 24 Jan 2024 at 09.00am To 12.00pm.

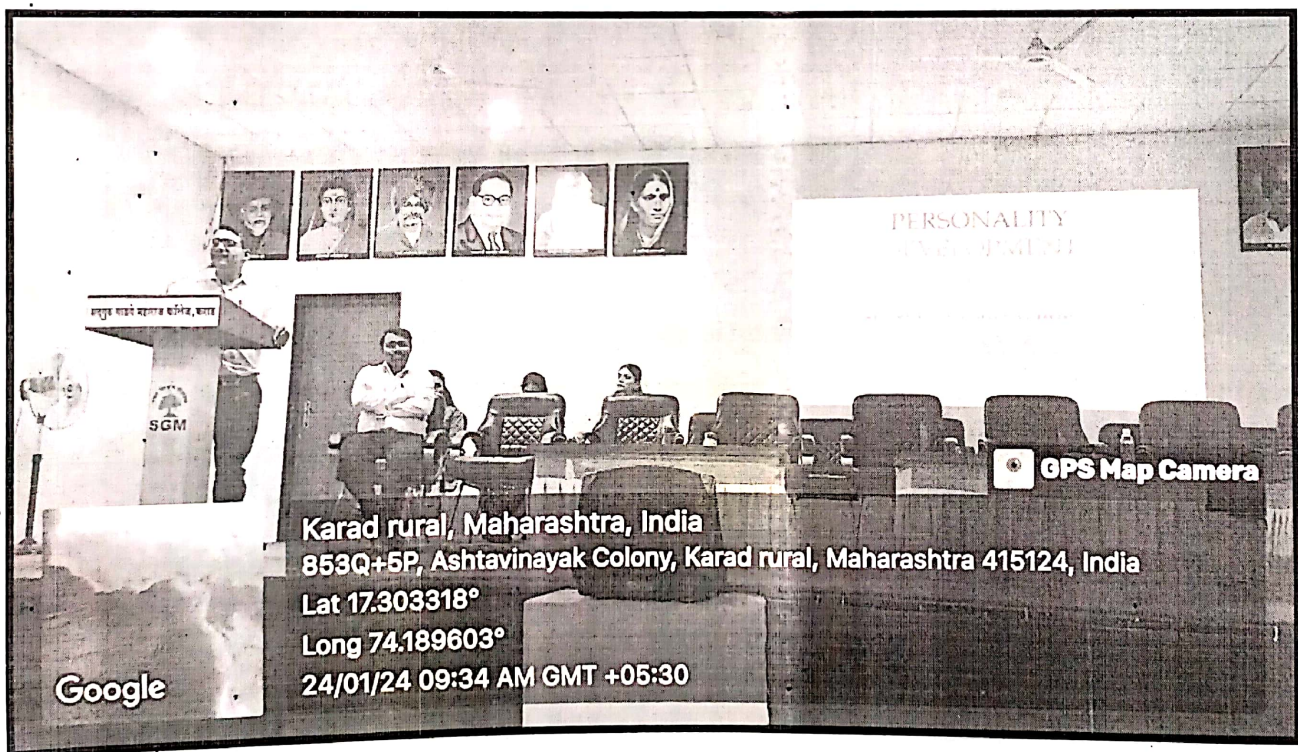

The students got some tips on how to enhance various aspects of their personality. They were advised to have role models, be positive, seek good in past... Guest lecturer can act as role models and bring an authentic, vivid picture of the real world to students, thereby enabling disciplinary learning. The speaker gave valuable insights on Personality development as well as communication skills, which helps an individual to gain confidence and high self-esteem.

The objective of lecture was to build self-confidence, enhance self-esteem and improve overall personality of the students.

A Short Term Course in Speak-Well English

2023-24

Report

Department of English of Sadguru Gadage Maharaj College, Karad runs a 'Short Term Course in Speak-Well English'. In this academic year the course was conducted for both the semesters. Total 43 students got admitted and trained throughout the year in two different batches. Out of forty-three students 21 students were admitted to Batch- I for semester I and 22 students were admitted to Batch- II for semester II. The Written and Oral Examination was conducted to assess the performance of the students. The examination of Batch-I was conducted on 20th January, 2024 and of Batch-II on 18th April, 2024. The course completion certificates were distributed to the students. We received rupees 21,500/- in the form of course fee. Dr. S.E. Jadhav worked as a coordinator of the course and Miss. P.Y. Badekar worked as an instructor of the Language Laboratory.

Organized
“Boot camp on Statistical Analysis with Python.”
(Under MOU)

1. Title of Activity: “Boot camp on Statistical Analysis with Python.” (Under MOU)
2. Date and Venue: 05/08/2023 to 14/08/2023 ; A2-25 Computer Lab.
3. Description of Activity: The Resource person of this training, Mr. Tejas Phase, Program Manager, Future Tayari, Mumbai. For this training syllabus of five modules was designed for **eight days**. In module 1 setting up the working environment was discussed. In module 2 linear regressions with statistical models and in module 3 linear regressions with sklearn was discussed. In module 4 he discussed logistic regression, in module 5 cluster analysis and graphical representations of data and interaction was conducted. Also they discuss on how to work on real datasets. This boot camp is useful for students for data analysis purpose.
4. Outcome of Activity: Students learn following techniques by attending this training.
 - To create and interpret data visualizations using the Python programming language and associated packages and libraries.
 - To apply and interpret inferential procedures when analyzing real data.
 - To apply statistical modeling techniques to data (i.e. linear and logistic regression, linear models, multilevel models, Bayesian inference techniques.)
 - To understand importance of connecting research questions to data analysis methods.
5. Number of Students present/: **52** Students and Faculty.No. of beneficiaries: **52**
6. Name of the collaborating Agency: 1) Future Tayari, Mumbai
- 7.

"Data Associate using Python"
(Under MOU)**

1. Title of Activity: "Data associate using Python"
2. Date and Venue: 12/10/2023 to 20/02/2024 (400 hours) ; A2-25 and A2-26 Computer Lab.
3. Description of Activity: The Short term course was conducted by two trainers, Mr Kunchalwar Shivsharan & Mr Jagtap Chaitanya Trainer Symbiosis Skills and Professional University, Pune. In this course they gave knowledge of data science & data analytics to B.Sc.III, M.Sc.I & II Students. They discussed how to work on real datasets using Python. This course was useful for students for data analysis purpose. Benefit of this course is 11 students are placed in different industries.
4. Outcome of Activity: Students learn following techniques by attending this training.
 - To create and interpret data visualizations using the Python Programming Language and associated packages and libraries.
 - To apply and interpret inferential procedures when analyzing real data.
 - To apply statistical modeling techniques to data.(eg.linear regression, logistic regression,time series models, classification & clustering etc.)
 - To understand importance of connecting research questions to data analysis methods.
5. Number of Students present/: 94 Students
No. of beneficiaries: 94
6. Name of the collaborating Agency: Symbiosis Skills and Professional University, Pune

“Certificate Course in R-Software”**

1. Title of Activity: “Certificate Course in R-Software”
2. Date and Venue: 28th Aug. 2023 to 11th Nov. 2023; A2-26 Computer Lab.
3. Description of Activity: The Resource person of this Short term course was, Dr. Mrs. Chavan R. V. Assistant Professor, S.G.M. College, Karad. For this course syllabus of nine modules was designed for three months. In module1 setting up the working environment was discussed. In module 2 sampling methods, in module 3 diagram & Graphs Using R discussed. Measures of Central Tendency, Dispersion, Probability, Correlation, regression & ANOVA, Testing of Hypothesis were discussed in remaining modules. Also she discussed how to work on real datasets using R- Software. This course was useful for students for data analysis purpose.
4. Outcome of Activity: Students learn following techniques by attending this training.
 - To create and interpret data visualizations using the R-Software and associated packages and libraries.
 - To apply and interpret inferential procedures when analyzing real data.
 - To apply statistical modeling techniques to data.
 - To understand importance of connecting research questions to data analysis methods.

Report

Date-14/12/2023

Sadguru Gadage Maharaj College, Karad Dept. of B.Com I.T organized Workshop on **"Digital marketing"** On dated 14 Dec 2023. This program was conducted in two sessions.

Session-I(Day-1)

Inaugural Functions:

This function took place from 9.00 am to 9.15 am Mr. Varnan. (CEO, Comet Softwares, Chennai) was the chief guest of this function. Mr. Nalawade sir (HOD Computer Science, Dept.) introduced and welcomes our guest. Prof S.A.Patil (Vice Principal) told the importance of Digitalization. Miss. Mulla K.N. awarded vote of thanks to all under the Presence of Mr.Mali D.S (HOD B.Com IT Dept.)

Session II-(Day-1)

Mr. Varnan. (CEO, Comet Softwares, Chennai) delivered lecture to students of B.Com I.T-I about the Digital Marketing. He Introduced students with SEO operations. Major point he discussed in this session was how to our bring website on the top list in Google. Which hastags or what other websites use to bring website on the top this all points were discussed by him overall 75 students were Present for this workshop.

(Day-2)

Mr. Varnan. (CEO, Comet Softwares, Chennai) taught students how to edit images or how to create graphical designs using Canva application. Also he taught them how to post it on Facebook and instagram, which hashtags should be used to reach more number of people.

(Day-3)

Mr. Varnan. (CEO, Comet Softwares, Chennai).taught students how to design their own blog and publish on the google . Students also actively participated in this activity. Students also made various Graphical designs using Canva and uploaded in the blog. Mr Varnan Assured that he will take Digital marketing Campaing with B.Com IT students in Saidapur area. With this he ended his three days Digital Marketing Workshop. Mr D.S. Mali (HOD B.Com IT Dept.) awarded Vote of Thanks to Mr Varnan and all students.
